The Government frequently consults Mothers' Union on social policy issues, so we offer all members who have internet access the opportunity to respond to these consultations. All responses are sent to our Headquarters in London where they are collated and passed on to the Government.

Mothers' Union in Exeter Diocese

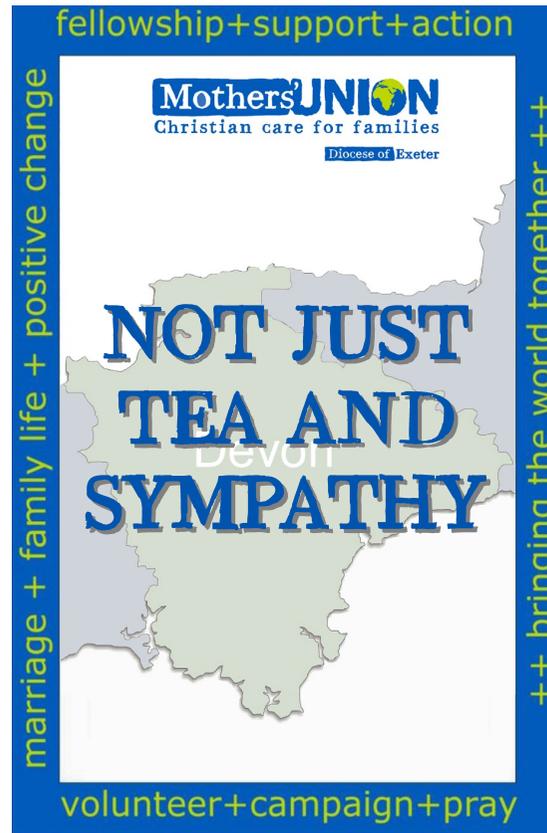

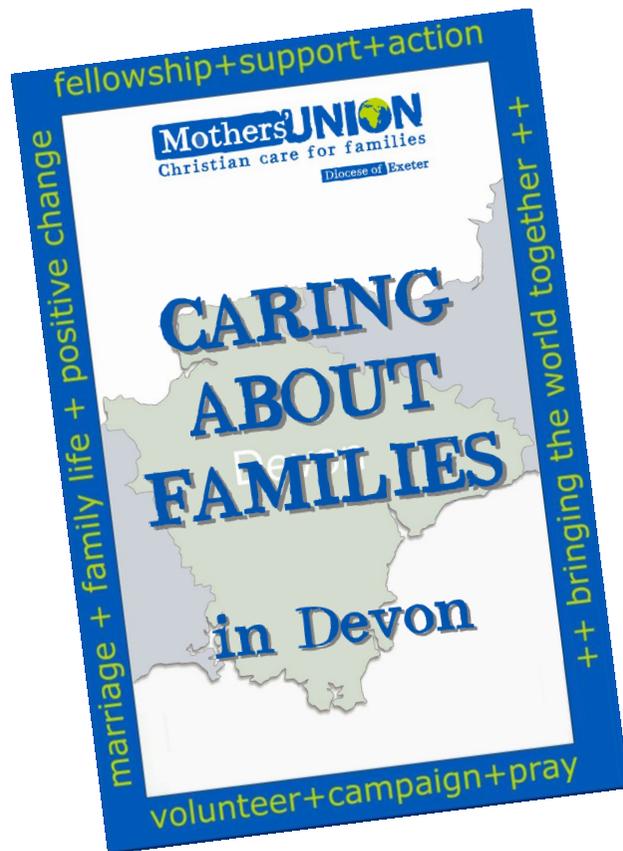

A dynamic charity putting God's love into action

1024 members in Devon

Supporting all families

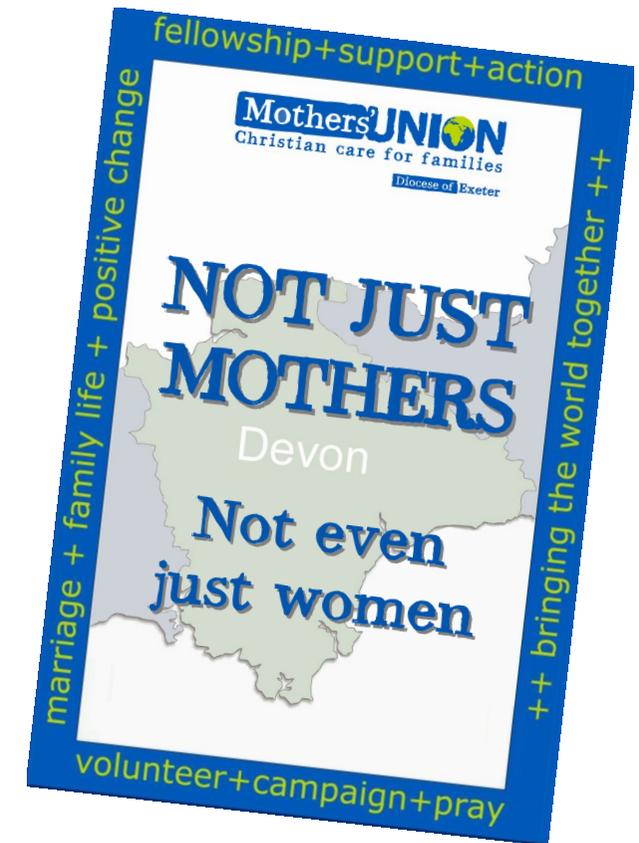

Since 1876, Mothers' Union has shared God's love for the world by encouraging, strengthening and supporting marriage and family life in all its variety.

Over 4 million members in 84 countries means that the Mothers' Union is the largest lay-led Christian organisation in the world.

Locally: We provide holidays for families who desperately need one but cannot afford it; books for prisoners and their children to share; practical craft items (knitted blanket squares that are sent abroad, "twiddle muffs" for dementia sufferers, heart cushions for those going through chemotherapy, etc), and much, much more.

Worldwide: We raise funds for Literacy and Financial Education, worldwide programmes (including parenting programmes) as well as the Emergency Relief Fund and the Overseas Development Fund.

We are equally committed to social policy campaigns:

Bye Buy Childhood, a Mothers' Union campaign challenging the commercialisation of childhood in modern society

Participating in the annual **16 Days of Activism**, a global campaign against gender-based violence

Working with Devon organisations helping **refugees** and **victims of modern slavery**
