

CHUDLEIGH AREA YOUTHWORK PROJECT

CAYP Schools/Youth Work Report Spring Term 2020

The second term of my new role as CAYP Schools Worker has started and I wanted to give you all an update on how things are going.

Chudleigh Primary School

I continue to have ongoing involvement with Assemblies, the Christian Distinctiveness Committee and lunch clubs within the school, but there are also some interesting new ventures and upcoming events to share with you all.

With support from Mrs Taylor, I am very excited to be taking over the running of the KS2 Choir; it's a great opportunity to use my passion for music as a way to engage with the children and will also help to raise my profile with parents more.

Mental Health Week is fast approaching – from 3rd to 7th February. As part of our support for this, we are really proud to be holding two events in school for all the pupils. Monday 3rd will be for KS1 children and Thursday 6th for KS2. A number of activities have been planned, all with the aim of helping young people to be mindful of, and to understand how to maintain, good mental health. There will be chance for anyone interested to visit the school between 3.30 and 4pm on the Monday afternoon to see what the children have been doing.

Chudleigh Knighton Primary School

My involvement continues to be with Assemblies, Collective Worship lunch clubs, after school club, and supporting RE-Lessons. Again, a new venture revolves around Mental Health Week and staff from the school are to visit during one of the mental health days at Chudleigh. They will be looking at the potential of running one in school themselves.

Teign School

I am excited to be building a relationship with staff and pupils in the school. The lunch club continues and I am seeking to grow that with support from the school.

New ventures: Having received Attachment Based Mentoring Training, it is great to be able follow this through, with encouragement from the school, and to be working with a small group of year 7 students. If all goes well, there is scope for more. Again, revolving round Mental Health Week, Mental Health Ambassadors from Years 10/11 will be attending the Mental Health Days at Chudleigh.

Young People 18+

I have continued contact with a small group, who are all keen to attend Creationfest in August now that Soul Survivor has ended. Different worship nights are being investigated also. It is good just to spend time with, listen to, and disciple these young people, who are all extremely busy!

Prayer requests

Thank you so much for all your continued support and prayers as I learn more and more what this role looks like every day and as we seek God's heart for the children and young people we reach out to as a project.

Please join us in praying for the following things...

- Mental Health Days in Chudleigh Primary
- Attachment based mentoring at Teign School
- Running of the choir
- Young People 18+

Thank you so much again for your support.

Maren Hedermann

Chudleigh Area Youth Project

If you would like more information about the project, to become "A Friend of Chudleigh Youth Work" or to help out practically, please contact Yasmin Mann (strangemagic5157@hotmail.co.uk). If you would like to support this work financially either by a one off gift or by regular direct debit, please pick up a form in church.
