

CHUDLEIGH AREA YOUTHWORX PROJECT

Prayer letter – Summer Term 2018

Dear friends,

Thank you for your continued prayer and support of the project's work within Chudleigh and Chudleigh Knighton. It seems a long time since our last Newsletter and we are looking forward to some exciting new initiatives!

Things to be thankful for:-

- Our link with South West Youth Ministry (SWYM) continues with Maren who is working as their South Area Co-ordinator on Tuesdays and Wednesdays.
- At the beginning of July we took 12 children and young people to SPREE. Despite the hot weather, we had an amazing time, seeing the children and young people grow in their faith, worship God and of course have lots of fun on the inflatables and at the silent disco.
- Our work with the two primary schools continues to grow. Maren visits both schools on a weekly basis to run lunch clubs, afterschool clubs and assemblies. The teachers in both schools are very supportive of our project and have been a great help this year to reach out to the children, especially in year 5 & 6.
- The increased joint activity between the Parish and Baptist churches in Chudleigh. Maren helps run children's church at the Baptist Church twice a month.
- The After School Drop-in at the Square, continues to have a good core group of young people who come on a weekly basis. We built good and trust based relationships with them. Recently the young people shared with us that they have fun at the Drop-in and that they feel safe, which is a real encouragement.
- As a project we are thankful and excited about new opportunities and fresh starts in the new academic year and we thank God for his provision and guidance.

Here are some key points for you to pray into:-

- For the first half of the summer to be a restful time for Maren and the rest of the project team.
- For the 8 young people who Maren is taking to Soul Survivor, that it may be a blessed time for them with exciting God encounters and for everyone to stay safe on the long journey to Peterborough.
- For the upcoming holiday club in October half term and for all the planning and preparation that is going into it over the summer.
- For Philippa as she prepares to start her year with SWYM in September.

Thank you so much again for your support.
