

CHUDLEIGH AREA YOUTHWORX PROJECT

Prayer letter – July/August

Dear friends,

Thank you for your continued prayer and support of the project's work within Chudleigh and Chudleigh Knighton. As ever, a lot has happened since our last Newsletter was issued.

Things to be thankful for:-

Maren has successfully completed her degree – congratulations and very well done!

Fantastic news too – Maren is to stay with us as our youth worker

- The Youth Band continues to lead worship at Soul Exeter and is progressing very well.
- A group of young people has recently attended Spree, which went well and we give thanks to the leaders for their hard work.
- The Young People led a thanksgiving service during July in which we celebrated the young people themselves, their achievements and prayed for their future plans.
- Continued building of relationships with Chudleigh Knighton Primary School, through our involvement with the learning exchange.

Here are some key points for you to pray into:-

- For the Youth Band leading worship and their continued development.
- For the continued support from volunteers for ET (Sunday evening) and the Youth Band (Wednesday evening).
- For continued development of relationships within both our local schools.
- For **Soul Survivor** – the preparations, safe travel and settling in to a completely new and unknown venue, good weather (or at least a dry period for pitching and taking down tents!), good relationships, spiritual growth and also for Maren and the leadership team. We give thanks for this opportunity for our young people and to Maren who willingly takes on responsibility for the venture.
- For Maren to adjust to her new role with us from September and that the right opportunities arise to make the best use of her time and her (undoubted indeed!) talents

SWYM are marking their 20th anniversary by holding a celebratory event and after party at the Great Hall, Exeter University on Saturday 7th October at 7pm. It is a free event and open to anyone who has been involved with the Chudleigh Area Youth Project over the years. I have four tickets booked, but can always order more if anyone wishes to attend. More details are available on their website.

Thank you so much again for your support.
