

## CHUDLEIGH AREA YOUTHWORX PROJECT

### Prayer letter – September/October

Dear friends,

Thank you for your continued prayer and support of the project's work within Chudleigh and Chudleigh Knighton. It seems a long time since our last Newsletter and we are looking forward to some exciting new initiatives!

#### Things to be thankful for:-

- Our link with the South West Youth Ministry continues with Maren still being involved with them in various ways and the events we attend that are organised by them.
- The Youth Band is flourishing - it continues to lead worship at Soul Exeter and has several dates in the diary. The young people are growing in confidence and stepping out into leadership.
- Soul Survivor went very well and it was definitely worth travelling the distance to the new venue in Peterborough. Great worship, brilliant talks, great relationship building all round.
- The Young People will be leading a Youth Service on 21<sup>st</sup> October looking back at Soul Survivor and looking ahead to the future.
- Continued building of relationships with Chudleigh Knighton Primary School, through our involvement with the learning exchange.
- The increased joint activity between the Parish and Baptist churches in Chudleigh

#### Here are some key points for you to pray into:-

- For the Youth Band leading worship, the provision of new equipment needed and the continued spiritual development and growth in confidence of the young people.
- For the work being started in the primary school – the building of relationships with staff and pupils, the involvement with and development of collective worship, the proposed after school / lunch club.
- For the new initiative proposed at No 1 The Square – an after school drop in from the school buses.
- For the new young people to settle into ET well.
- For Maren as she fills her time and continues to adjust to her new role with us.

Thank you so much again for your support.
